**Notice: COVID 19 regulations and procedures continue to evolve.** We strive to exceed current COVID19 health and safety requirements. Even though face coverings are not generally required to be worn by volunteers at outdoor activities, we work to create an inclusive environment where everyone who wishes to wear a face covering is supported.

**Some outdoor volunteer activities, especially those working at or near encampments, may require volunteers to wear face coverings or other personal protective equipment (PPE). Staff or team leaders will provide details.**
