# COOL RIVER PROGRAM: NEARBY NATURE: SCAVENGER HUNT

**You don't have to go far to explore nature! Nature is all around us!**

We challenge you to explore your neighborhood and notice all of the nature you have nearby.

Go for a walk around your neighborhood and see what you can find!  
Each time you spot something, you can keep a tally to record how many you find.

Flip the page over to record your observations by writing about or drawing what you observe.
